**To:** Ruth Welch ([rwelch@blm.gov](mailto:rwelch@blm.gov)); 'Armstrong, Valori A'  
**Subject:** Water Treatment Plant for Cement Creek Drainage

Greetings.

Please see the attached Letter. In its continuing role as a catalyst for the collaborative effort to improve water quality in the Animas River, Sunnyside is suggesting that there may be opportunities to significantly accelerate the ARSG Timeline. Do not hesitate to contact me with any questions that you may have.

Best regards.

Greg
